

Home Care Insurance

No Medical Exam Required

A proprietary insurance plan that provide the necessary resources for when you are no longer independently able to physically or mentally care for yourself due to an accident or illness and / or during your long-term retirement years. This Home Care Assistance plan is considered the Gold Standard and solution of choice for our future care as government assistance is limited at best. It allows you or your aging parents to pick, choose, and control the care they need at home and not have to consider a long term care facility. People prefer to remain in their own home when they need assistance rather than a long term care facility because the quality of care at home is superior while one's longevity is increased. Consider this very affordable plan designed to minimize the burden and financial strain on your family.

Plan Highlights:
